

“Teaming Up” To Best Serve B.C.’s Resource Communities and First Nations

Synergy Management Group Ltd., with offices across B.C. (Victoria – Vancouver – Nanaimo – Kamloops – Terrace), specializes in Community Economic Development, Opportunity Identification and Implementation, and Business Development.

Synergy serves the **public sector** (communities, First Nations, government) as well as the **private sector** (business plans, market research, feasibility studies, and access to funding, investors and partners).

Times change, as do the needs of the clients we serve. Over the years, Synergy has had the

pleasure and opportunity to work with a number of Consultants, who share our style of user-friendly professionalism, hands-on performance, and delivering results.

We’re keeping up with ‘change’. We are pleased and proud to announce that Synergy has developed a number of Strategic Alliances to best serve the needs of our clients...today, and looking to the future as well. Together with our Strategic Alliance Associates, we can help identify and develop opportunities that deliver jobs, enhanced economic stability, diversification and growth.
